

MAKE AN EVENT

## The experience of a tailor-made virtual event

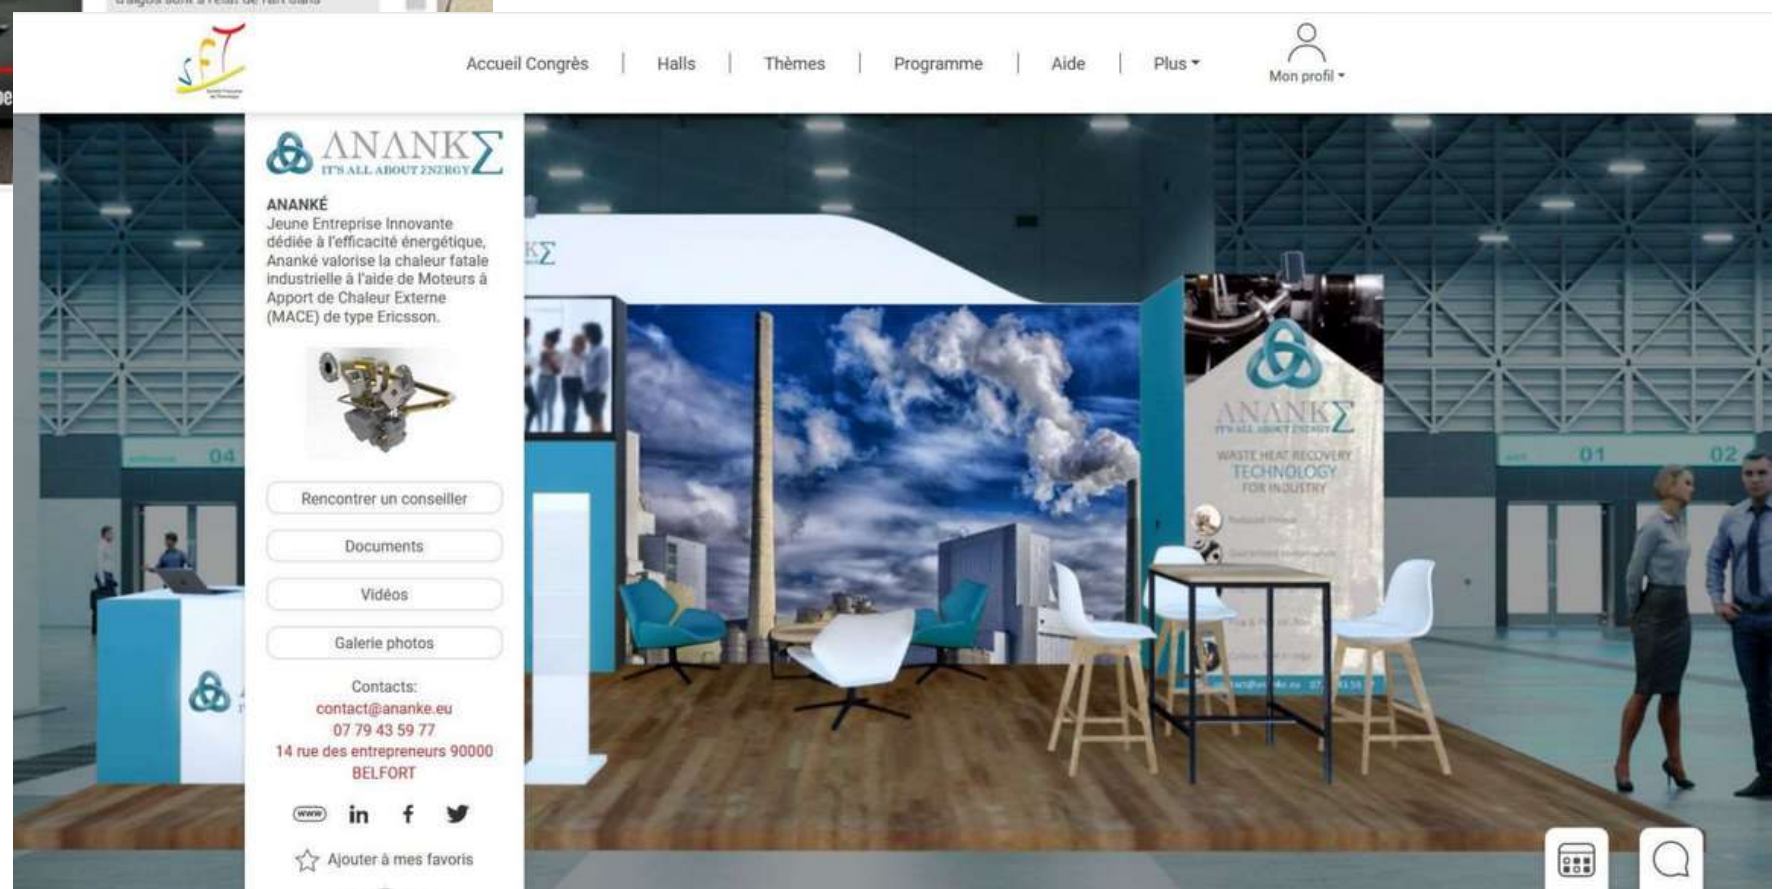

*Multiply your audience! Multiply your profit !*

[www.make-an-event.com](http://www.make-an-event.com)

To offer a digital dimension to your customers and allow the internationalization of **YOUR** events !

Our customized formula allows you to have access to 100% of the customization.

We accompany you in the digital growth of your event !

# Our platform integrates

## Registration

Management of registration for all participants: stand managers, advisers and public.

## Halls & stands

A clear and effective presentation of your salon.

## Networking

Offer a meeting space to your participants for your trade shows.

## Conferences

Add unique content to your event to make it attractive.

## Chat

Integrated messaging allows your advisers to converse with the public

## Forum

React and retain your visitors with exciting topics

## Videoconference

We offer you an integrated tool to interact with visitors. We can also integrate your tool

## Moderation

Uncomfortable with comments?  
No problem with our moderation tool.

## Statistics

Study the behavior of your visitors and inform your customers.

## Administration

You have the hand to manage your events:  
you are master of your shows!

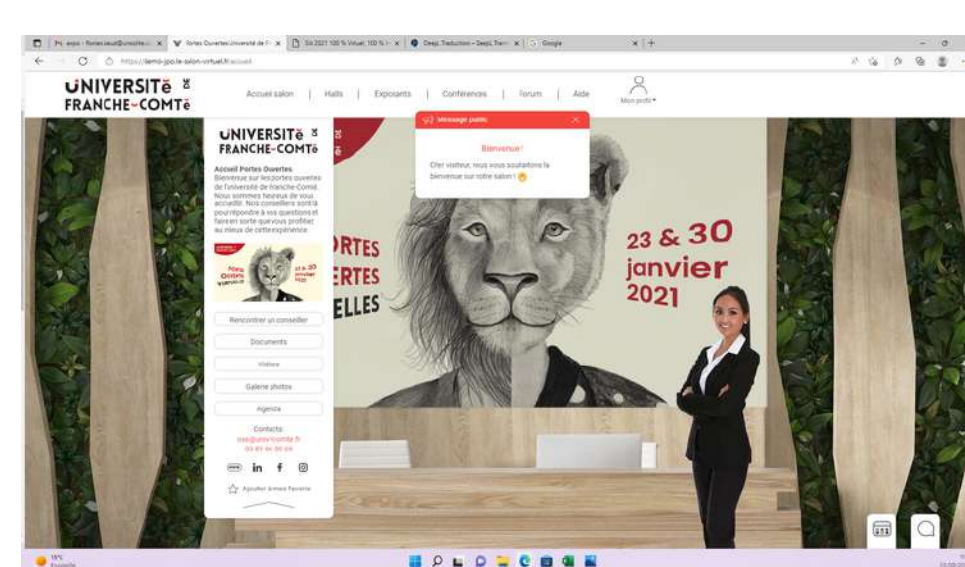

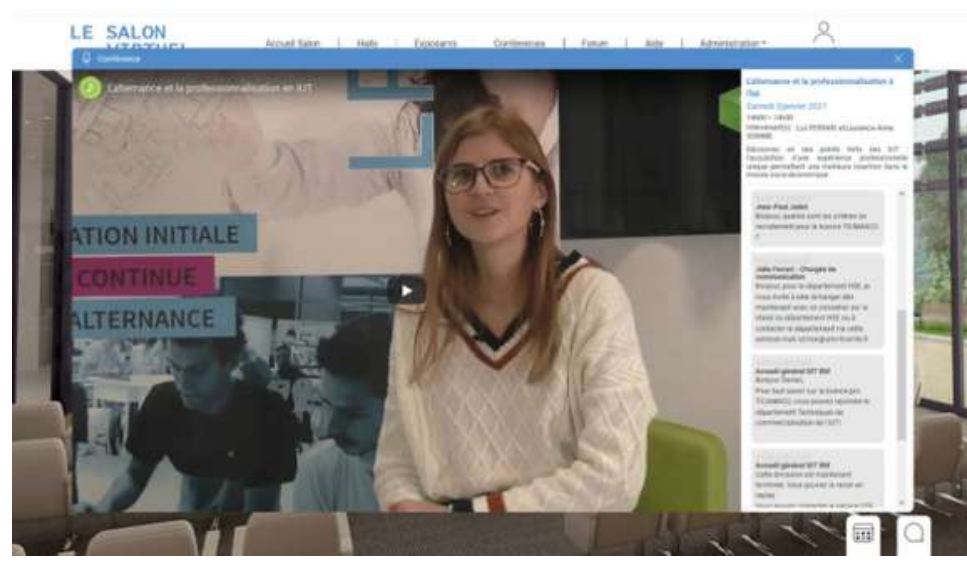

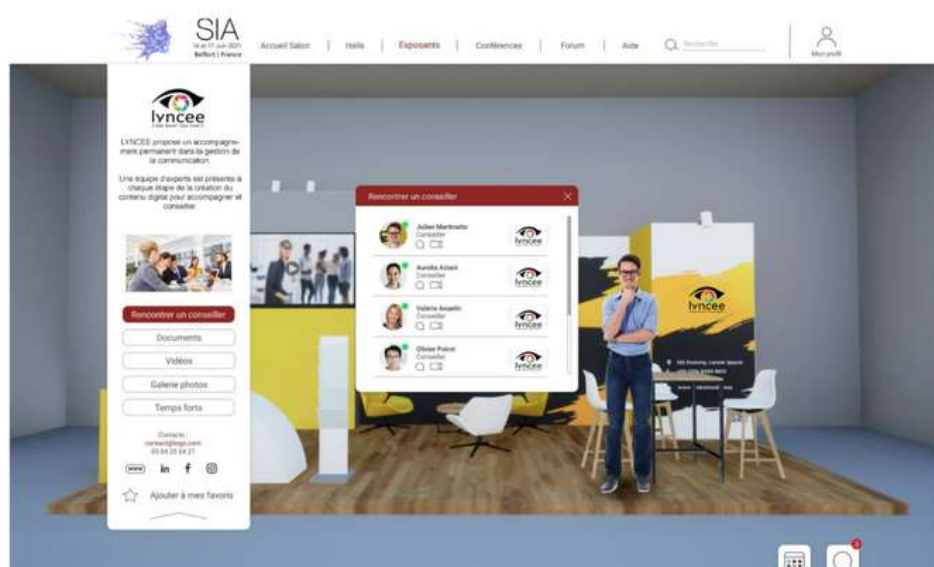

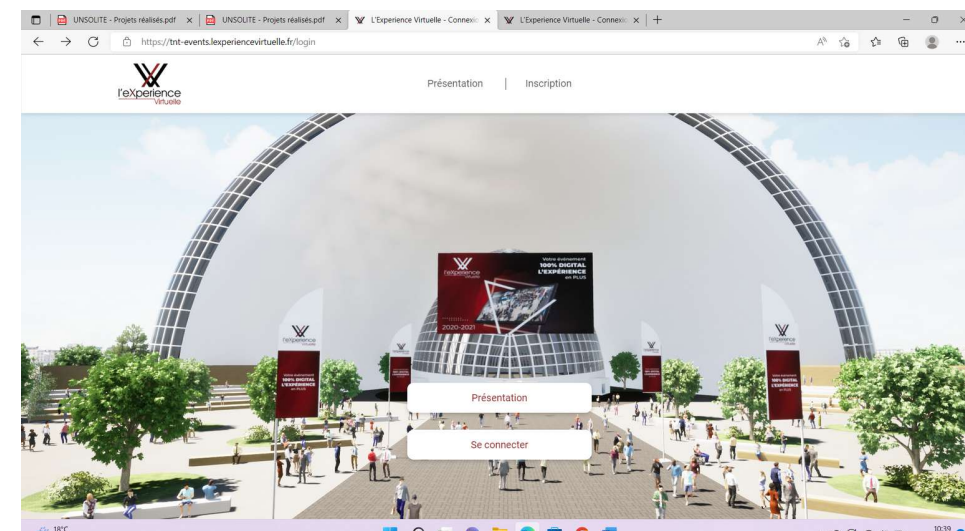

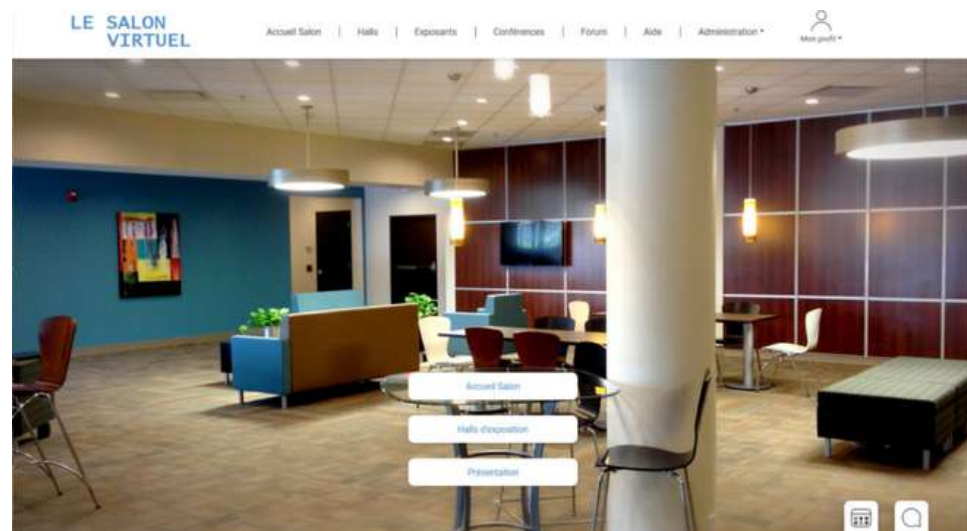

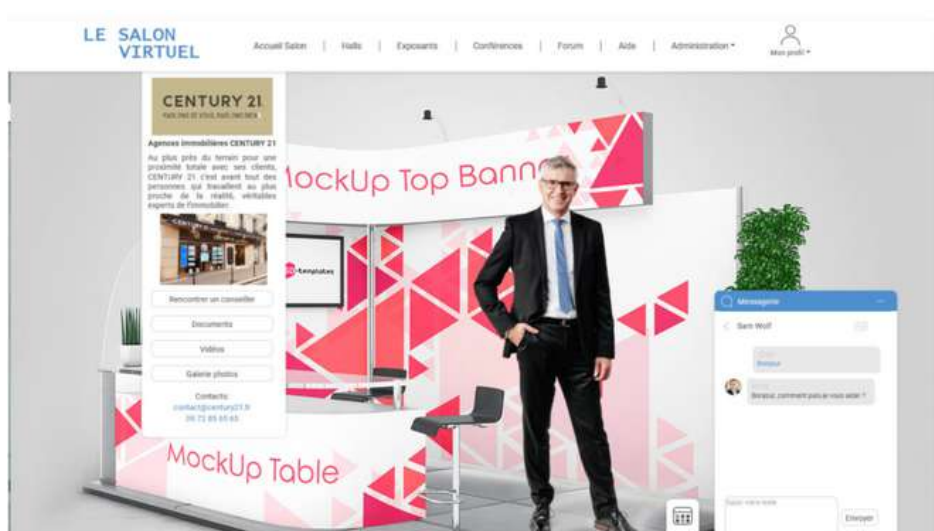

## Payment

Manage your entrance fees before your event.

We are participating this year in GITEX 2022 to promote our MAKE AN EVENT application.

MAKE AN EVENT allows the internationalization of any event on the planet ! This digital solution brings you: an **easy access**, a **customized** and **impactful** solution!
